This policy has been reformatted for placement on Sandia's External Web site.

Background - 6.18.P.1

Unsolicited Proposals and Unsolicited Disclosures of Contractor information must be handled according to SNL policy and procedures because serious legal and patent-related considerations are often involved. All unsolicited proposals or unsolicited disclosures of Contractor information not retained, with approval by SNL's Legal Organization, are sent to DOE/AL/CPD.

Policy - 6.18.P.2

SNL's policy is **not** to accept unsolicited proposals or unsolicited disclosures of Contractor information. However, SNL will accept unsolicited proposals from educational institutions against Ordering Agreements (OAs). Any other exceptions to this policy are made only after review and approval by SNL's Legal Organization.
